

Halo 15

LED Wall Light

Description

The HALO-TRIO Series Wall Light is a stylish and slimline round designed wall light that offers an attractive halo of light, indirectly lighting up exterior walls through the back side of the fitting, completely reducing front glare. Bright LED light output that offers ample ambient light to illuminate the surroundings. Tricolour switchable: choose between Warm White 3000K, Neutral White 4000K, or White 5700K colour temperatures with the flick of a dip switch. Available in a choice of white or black front fascia colours as well as two sizes, a matching small 8W, or larger 15W size. Robust aluminium fascia and polycarbonate diffuser, with an IK08 rating and an IP65 makes it capable to withstand the harsh coastal climate. Complete with Flicker Free Driver to avoid light flickering in videos. Fully dimmable with suitable dimmers. Backed by a 3 Year Replacement Warranty.
