

Max-35

LED Linear Pendant

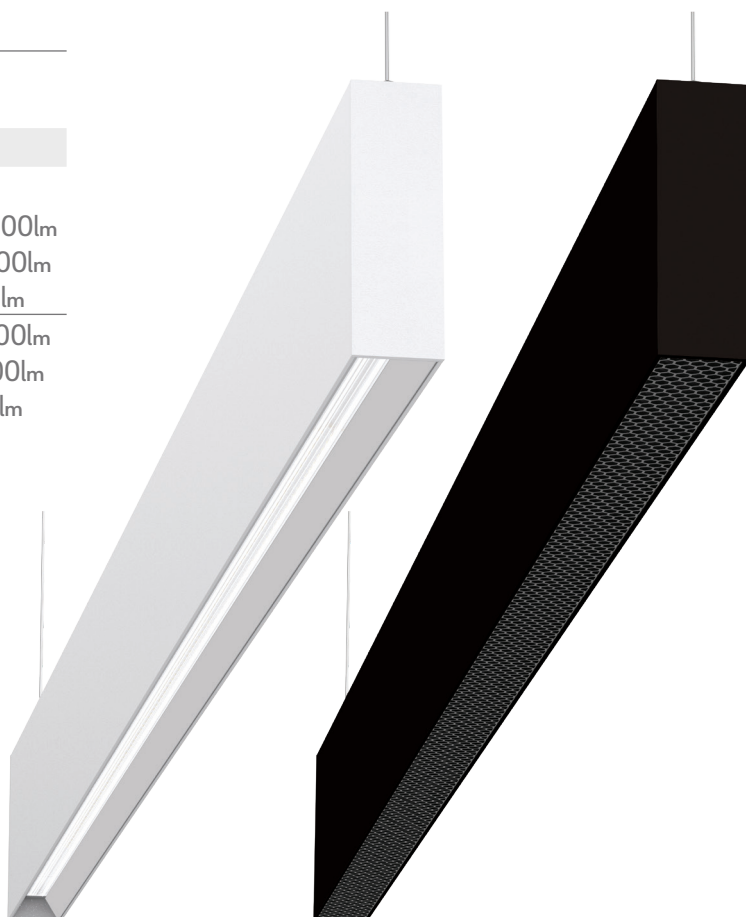

Description

The MAX-35 wire-suspended Linear LED Pendant is an attractive modern solution to lighting up breakfast bars in kitchens, as well as tables and office benches or workstations. Providing a slimline architectural look which is perfect for residential or commercial applications. The MAX-35 Series Pendant is available in 1200mm or 1700mm lengths. Tricolour switchable: choose between Warm White 3000K, Neutral White 4000K, or White 5700K colour temperatures with the flick of a dip switch. Featuring a Black or White powder coated Aluminium frame, with an opal lens diffuser. Choose between a higher level of light (by removing honeycomb reflector) or reduce glare with the use of the honeycomb reflector. Includes 2m of wire suspension to allow the flexibility to hang at the desired height. Complete with Flicker Free Driver to avoid light flickering in videos. Fully dimmable with suitable dimmers. Backed by our 3 Year Replacement Warranty.
