

SMART WiFi DEACON DOORBELL & CHIME

**Monitor and answer
your front door
from anywhere**

See what's happening at your door, and get relevant alerts when there's activity, triggering alerts to your phone 24/7.

- Human Filtering – When enabled your doorbell will only send alerts only when a human presence is detected. If disabled, you'll receive notifications whenever movement is detected, including animals and vehicles.
- Full HD video 1080P, 110° viewing angle. Delivers high resolution video.
- Talk and listen to visitors through the built-in speaker and microphone.
- Supports Live screen capture and video recording saved directly to phone/tablet/iPad when selected through app.
- Built-in infra-red night vision, automatically activating the infra-red filter at night (day/night modes).
- IP65 weather resistant rating makes it suitable for all locations.
- Built in memory card slot that supports up to 128Gb SD card (card not included). Recorded SD card footage is encrypted and can only be viewed through the BrilliantSmart app, or remove card and view recorded files through your PC.
- No wires means it works with every home, from houses to apartments, with an option to connect to 12VAC–24VAC (not included).
- Siren – Activate via app to deter unwanted visitors.
- Tamper-proof alarm if doorbell is removed from wall bracket.
- Low power consumption (2mW sleep mode, 1W wake up)

CHIME

- Multiple tones selection - 38 in total with 4 volume levels, this includes silent mode (LED indicator will flash in this mode)
- Plugs into any standard power outlet.
- Works up to 24m (line of sight) away from the Smart WiFi Deacon Doorbell.
